

# RECOMMENDED STANDARDS, COMPETENCIES, & BEST PRACTICES

## for Infant and Family Centered Developmental Care in the Intensive Care Unit

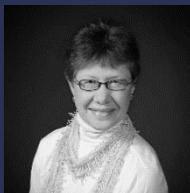

Dear Healthcare Professional:

Please participate in the upcoming virtual satellite symposium, **Recommended Standards, Competencies, and Best Practices for Infant and Family Centered Developmental Care in the Intensive Care Unit**, taking place on **Tuesday, December 8, 2020**, from **3:00 PM–4:00 PM ET**. The presentation will be followed by a live Q&A.

### Presented by:

**Joy V. Browne, PhD, PCNS, IMH-E (IV)**  
Clinical Professor, Pediatrics  
Interim Chief of Psychology  
University of Colorado

**Carol B. Jaeger, DNP, RN, NNP-BC**  
Advanced Nurse Practice, Doctor of Nurse Practice and  
Neonatal Nurse Practitioner Programs  
The Ohio State College of Nursing  
Consultant, Carol B. Jaeger Consulting, LLC

### Learning Objectives:

- Discuss emerging evidence for infant and family centered developmental care (IFCDC) integration in intensive care
- Identify 6 areas of best practice that are evidence-based
- Consider how IFCDC standards could be integrated into current intensive care practice

Hot Topics in Neonatology registrants can access the satellite symposium through the platform agenda.
